RE: WLQR-FM Radio Station, Delta, Ohio
Facility ID Number 67275
BLH-20030325ADT
Notification of changed digital operation

Dear Ms. Dortch:

Cumulus Licensing LLC ("Cumulus"), licensee of FM station WLQR-FM, Channel 293A, Delta, Ohio, hereby notifies the Commission of a change to the operation of the station's digital broadcasting which uses the iBiquity Digital Corporation's HD Radio (TM) technology. Cumulus hereby notifies the FCC that WLQR-FM will commence operation with a higher digital power level above the originally notified (-20.0 dB). The stations equipment makes it possible to increase to (-14.0 dB) using the iBiquity Digital Corporation's HD Radio (TM) technology. This is consistent with the Commission's Order on interim digital operations¹, and subsequent power increase Order, released January 27, 2010 (MM Docket #99-325). In support, Cumulus hereby supplies the following information.

1. Cumulus Licensing LLC plans to commence broadcasts with increased digital power on October 25, 2010.
2. Cumulus Licensing LLC hereby certifies its facilities conform to the iBiquity Digital Corporation hybrid FM specifications.
3. In the event of interference, questions should be directed to Cumulus Licensing LLC's technical representative, Mr. Gary Kline at 404-260-6690.

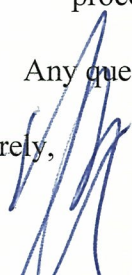

1) *Digital Audio Broadcasting Systems and Their Impact on the Terrestrial Radio Broadcast Service*, MM Docket Number 99-325, First Report and Order (October 11, 2002).

4. The transmitter power output of the analog system is 4,756 watts. The digital power output is 190 watts. The total combined analog and digital power is 4,946 watts. This is a low level combined system.
5. Cumulus Licensing LLC hereby certifies that its analog effective radiated power will remain as authorized after commencement of digital operations.
6. Cumulus Licensing LLC hereby certifies that its digital operations will not cause human exposure to levels of radio frequency radiation in excess of §1.1310 of the Commission's rules and is, therefore, categorically excluded from environmental processing pursuant to §1.1306(b).

Any questions concerning this notification should be directed to the undersigned.

Sincerely,

Jefferson G. Brock
